Letter No. 42 dated 18-7-1913 from the Superintendent, Lunatic Asylum, Bangalore, to the Senior Surgeon, Mysore Govt.

With reference to your No. 4960 dated 10-5-1913, I beg to state that statement No. VI embodied in the Annual Returns of the several Asylums in British India and Burma, has been revised by Government of India and is in accordance with the recent edition of the Nomenclature of diseases, except the heading No. 155 "Confessional insanity" which should be "Confusional Insanity."

Statement VII has also been revised and amended by the Government of India.

I beg therefore that you will be pleased to obtain sanction of Government of H.H. the Maharaja of Mysore for the adoption of both the revised statements No. VI and VII in submitting the annual returns of this Asylum in future.

If the proposal meets the approval of Government, I request you to kindly cause a hundred copies of each of the forms Nos. VI & VII, similar to the samples herewith submitted to be printed in the Government Printing Office and forwarded to this office.

The annual reports of the Asylums in Burma and United Provinces of Agra and Oudh are herewith returned as directed in your No. 276 dated 17-7-1913.

Sir,

Referring to your letter No. 2254/Med. 34-13-2 dated the 26th August 1913, anent the revision of statements VI and VII of the annual report on the Lunatic Asylum, I have the honor to state that the proposed form VII has been revised by experts in Psychiatry and deals with the different causes of Insanity both predisposing and exciting, and as such it is of more scientific interest than the form now in use. It will be of great interest no doubt to have this form further revised furnishing information as to the number cured, improved &c., under different causes, but to prevent the magnitude of the statement and to be in conformity with that submitted by several Asylums in India, I beg to propose the latter to be adopted.

2. I may state further that statements Nos. III, IV & V also deal with only the persons admitted during the year under review and similarly the statement VII may also deal with only the number admitted.

3. A reference to the reports of the Asylums of Madras, Burmah, Bengal, &c., will show the appreciation of the form

VII

VII by the several Medical Officers in charge of Asylums.
